

# VIAGGIO

# THE ONE

There is a fine line between limits and going beyond them. This is what inspired us to create Viaggio Pontoon Boats with the vision to make a boat that was more universal. After **thirty-three years** of building pontoon boats, Viaggio is **THE ONE** that accommodates anyone's lifestyle. **THE ONE** that entertains an 8 year old as comfortably as it accommodates an 80 year old. It's **THE ONE** that maximizes comfort and provides total freedom to spend quality time with your loved ones. It is the boat with no limits.

When building pontoons, **Quality Without Compromise** is what we live by. Every member of our team truly cares about your boating experience, and works to make sure yours is built with the **finest craftsmanship** in the industry. Thank you for considering Viaggio for your next boat. We would be honored to be a small part of your **greatest memories on the water!**

Best Regards and Safe Boating,

GEORGE THOMAS | PRESIDENT

Viaggio Pontoon Boats

# DIAMANTE

The Diamante Series is our flagship boat and completely unique in the market! With our exclusive matte metallic fencing and extruded 3" rail system, the Diamante is without compare in strength or looks. Enjoy total luxury, individuality, and a look that will rival even the highest end brands!

# LAGO

Our Lago Series is our most popular selling boat and loaded with standard features, along with many of the hottest options!

# DEL MAR

Our Del Mar Series is the most luxurious pontoon boat in its class and very well featured!  
With models from 16' to 20' long our Del Mar is the perfect boat for a variety of waters.

# UNMATCHED STRUCTURE

Quality Without Compromise, We Do it Right

## UNRIVALED WELDS

Our team uses a combination of TIG hand welding and MIG welds from our robots. We are so confident in our work that we provide a **limited lifetime warranty** on all our welds!

## TOUGH FRONT END

Our boats have an extremely durable NMMA front bumper that is fully welded, created from reinforced 1/4" extruded aluminum C-channel.

## AUTOMOTIVE & RESIDENTIAL STRUCTURE

The majority of our structural cross members are 16" on center similar to home construction. This provides a better structure and one that can take many years of use.

**THE BEST  
RIDE IN THE  
BUSINESS**

**RIDE HIGH**

Large and buoyant 25" tubes are provided on all boats 18' and larger.

**KEEP IT DRY**

We include oversized spray deflectors on all our boats to make a dry ride every time.

**CONSISTENT PRODUCTION**

Every boat we build is on the same production line and crafted with the same integrity across the board.

**HEAVY DUTY 1/4"

# PONTOON CONFIGURATION & HULL PROTECTION

## PERFORMANCE SHIELD

Our Performance Shield provides a continuous enclosed surface under the deck of your boat, substantially reducing drag with the water. This increases the performance of your boat along with providing protection from the elements. The performance shield also provides sound dampening effects giving you a quieter and smoother ride.

## BI-TOON HULL

Our traditional bi-toon hull is the gold standard in pontoon construction. Loaded with 25" diameter tubes your boat will be excellent buoyancy and control on the water!

## SPORTOON HULL

Our Sportoon allows for greater stability and lift of your boat over a standard two tube Bi-toon design. The Sportoon package automatically includes our Performance Shield, BayStar hydraulic steering, and lifting strakes on the center toon creating even greater performance. The Sportoon attaches between the standard pontoons and runs from the bow to ~75% of the surface under the deck.

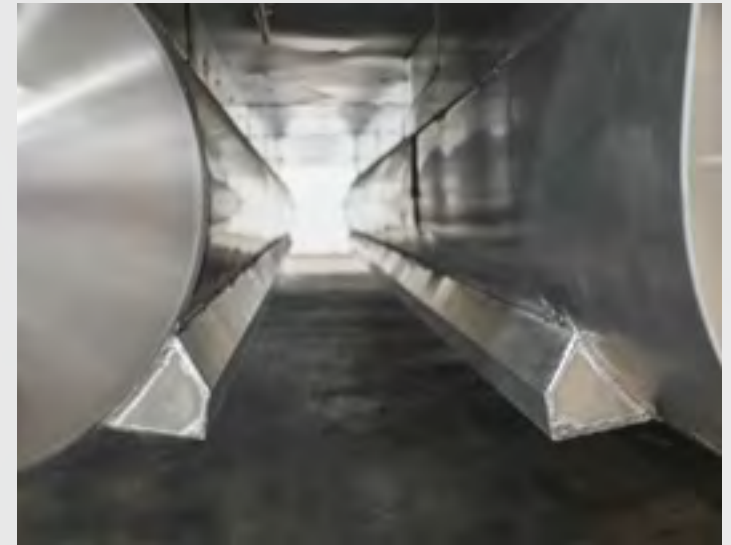

## TRIPLETOON HULL

Viaggio is well-known for having the “best riding” boats in the industry, and our tripletoon hull is why! With SeaStar hydraulic steering, our Performance Shield, and four lifting strakes, your boat will achieve snappy performance on any water. Our full-length 25” diameter center tube also allows you to hold more fuel and utilize a greater horsepower engine.

## LIFTING STRAKES

Viaggio’s Lifting Strakes are a fantastic addition to any model. Available on our Bi-toon and included standard on our Sportoon, or Tripletoon hull configurations, our strakes provide sporty performance allowing your pontoon to cut and maneuver in the water. Water tight Sealed Lifting Strakes are also available on 2023 models!

## FIRST CLASS TUBES

We have been perfecting our tube design for over 33 years and every tube 18’ and longer uses an extra heavy 0.90” aluminum with 4-5 baffles in each tube to provide rigidity and strength. The center baffle section on all our tubes is sealed along with everything being thoroughly tested before completion.

## 2023 POPULAR OPTIONS

Our team takes pride in producing boats with the best technology and most durable construction available! See several of our most popular 2023 options!

*\*Options are available only on select models*

### EXTENDED SURE SHADE

Our extended Sure Shade is a great addition to our Power Bimini! Get a LOT of extra sun coverage while your boat is docked or stationary on the water!

### PRIVACY ENCLOSURE

Our team developed a completely new privacy enclosure that easily attaches with clips to your bimini! It can be detached and easily stored in your storage compartment!

### LILLIPAD DIVING BOARD

Our Lillipad Diving Board is a new optional feature available on any Lago with an extended deck or any Diamante! It makes a day out on the water with family and friends even more enjoyable and is very easy to set up or store.

### EXTENDED BIMINI

Our extended bimini is a very popular option and great way to add additional shade, covering the majority of your boat! The extended bimini shade connects by a zipper to your standard bimini.

## UPGRADED SOUND SYSTEM

Our upgraded sound system is an impressive addition to your boat with upgraded Rockford Fosgate stereo receiver, upgraded speakers, amp, and 10" sub woofer.

## PLATINUM FURNITURE UPGRADE

Our Platinum Furniture Upgrade includes: extra wide chaise loungers with integrated arm rest, speaker, and cup holder, adjustable bolster seat on captain's seat, wider captain's seats, and additional colors on certain interior packages.
